

## The White Hat Club

We are inviting you to join the “**White Hat Club**”. This prestigious club is for individuals and businesses who contribute to the **Junior Livestock Show of Spokane**.

The **Junior Livestock Show of Spokane** will celebrate it's 73rd year of holding an annual livestock show for 4-H and FFA exhibitors from throughout the region including Washington, Idaho, Oregon and Montana.

Each year in February we hold a benefit dinner and auction to raise funds for this worthwhile **non-profit** organization, which benefits youth by instilling responsibility, leadership skills and marketing objectives.

To recognize our larger sponsors, both individual and business we will provide 6X white Stetson cowboy hats to who give \$5,000.00 or more in the year beginning with October 1, 2007 ending September 30, 2008. Those people wearing their white hats will be recognized with VIP status at our annual fund raising dinner/auction in February. The \$5,000 corporate donors will also receive complimentary VIP tables at the dinner and a full page ad in our Souvenir Program Book

**We will also (for this year only) give white hats to those businesses or individuals who pledge \$6,000. To be paid in three installments of \$2,000 each, by December 1<sup>st</sup> of each year, beginning with December 1, 2007. (This will allow us to order your hat in time for the February dinner).**

Consider the impact that your company would make if everyone your table(for 8) was wearing a white hat to show their support of Jr. Show!!

Detach and mail with your contribution of \$5, 000 or your pledge for \$6,000
